

Counting Workbook

Kindergarten - Numbers 1 to 20

Count, Trace, and Write - With Answer Key

How to Use This Workbook

This workbook helps your child learn to count, recognize, and write numbers from 1 to 20 through fun, colorful practice.

- Count the pictures in each box and write the number.
- Trace the big numbers to practice writing them.
- Fill in the missing numbers to learn number order.
- Check answers with the Answer Key at the back.

Tip for grown-ups: keep practice short and playful. Praise effort, count real objects together, and celebrate every success.
