

Learning to Count is Fun!

Give your kindergartner a confident start with numbers. This colorful workbook builds counting, number recognition, and writing skills through simple, playful practice - with plenty of room and a complete answer key.

Inside this book:

- Count the pictures and write the number
- Practice numbers 1 to 20
- Trace big, easy-to-follow numbers 0-9
- Fill in the missing numbers
- Complete answer key for grown-ups
