

Little Hands, Big Numbers!

Help your child learn to write numbers with easy, guided tracing practice. Big, friendly numbers and playful counting build confidence and fine-motor skills - one page at a time, with a complete answer key for the counting pages.

Inside this book:

- Trace numbers 0 to 20 with guided gray lines
- Say, trace, then write it yourself
- Count the pictures and write the number
- Builds early writing and counting skills
- Complete answer key for the counting pages
