

Addition & Subtraction

Kindergarten - Numbers to 10

140 Practice Problems - With Answer Key

Beginning Math Practice Workbook

How to Use This Workbook

This workbook helps your kindergartner practice adding and subtracting numbers up to 10 with fun, simple problems.

- Each page has 4 problems with room to show your work.
- Addition and subtraction pages alternate to keep skills fresh.
- Count on fingers or draw dots to help find the answer.
- Check answers with the Answer Key at the back.

Tip for grown-ups: keep it short and playful, use real objects to count, and praise every try. A little each day works best.
