

Letter Tracing for Kids

Ages 3-5 - Trace A-Z, a-z, Numbers & First Words

Handwriting Practice Workbook

How to Use This Workbook

This workbook helps your child learn to write with fun, guided letter and number tracing.

- Trace the big light letter, then the rows of letters.
- Say the letter and the picture word out loud.
- Practice writing on your own at the bottom of each page.
- Move from capital letters to small letters to first words.

Tip for grown-ups: use a pencil, keep it short and playful, and praise every try. A little practice each day works best.
