

Read with Confidence!

Sight words make up most of what children read. This fun, colorful workbook helps young learners trace and write the 100 most common first words - building reading confidence, spelling, and handwriting all at once.

Inside this book:

- Trace & write 100 high-frequency words
- Big guide lines for early writers
- One word per page with plenty of practice
- Perfect for pre-K and kindergarten
- Builds reading, spelling & handwriting
