

Sight Words

Tracing

Ages 4-7 - Trace & Write 100 First Words

Kindergarten Sight Word Practice Workbook

How to Use This Workbook

Sight words are the most common words in English. Learning to read and write them helps children become confident readers.

- Say the word out loud at the top of the page.
- Trace the light gray word on each line.
- Then write the word on your own at the bottom.
- Practice a few words each day.

Tip for grown-ups: point out these words in books you read together. Repetition and praise build lasting confidence.
