

Lowercase Letter Tracing Workbook

Trace the ABCs · Small Letters a to z

Handwriting Practice for Kids Ages 3-5

a b c

Learn to write the small letters!

How to Use This Workbook

This workbook helps your child learn to write the small (lowercase) letters a to z through fun, guided tracing practice.

1. Look at the big letter at the top of each page.
2. Trace the light gray letters from left to right.
3. Follow the dashed middle line to keep letters neat.
4. Say the letter and its picture word out loud
(a is for Acorn!).
5. Then write the letter all by yourself on the blank lines.

Tip for grown-ups:

Use a pencil, keep each session short and playful, and praise every attempt. Repetition builds confidence and steady hands.

There are four pages for every letter, plus review pages, matching activities, and a completion certificate at the end.
Have fun learning all the small letters!
