

Let's Learn the ABCs!

Give your child a confident start with capital letters!

This workbook guides little hands through tracing every uppercase letter from A to Z with big, friendly letters and clear guide lines that make learning to write easy and fun.

Inside this book:

- Trace all 26 capital letters, A to Z
- Four practice pages for every single letter
- Big letters with dashed guide lines to stay neat
- A picture word for each letter (A is for Apple!)
- Trace, then write it yourself for real practice
- Review pages and a fun completion certificate
- Perfect for preschool and kindergarten, ages 3-5
